

K-Love is my favorite radio station. I can listen to it for music that is appropriate for my whole family. I am also a financial supporter of K-Love. Our community as a whole also fully funds K-Love for the listeners in our Somerset area. I believe K-Love supports wholesome values and has a positive and encouraging impact on our community as well as communities across America. It does my heart good to enter a local business and hear K-Love playing on their speakers for everyone to hear and enjoy. I usually comment to those businesses about how I appreciate their positive choice and patronize those businesses as well. Thank you for the opportunity to share my comments with you. I hope you will take this in to consideration and not allow Low Power FM stations to take priority over current FM translators services like K-Love.
